# KICKIN' IT

## Behind the EARS

The old year winds down and out but at least that brings major holiday time away from school & work. And while you're watching the snow fall (or enjoying a day at the beach depending on where you hang), here's a new activity & some kool news.

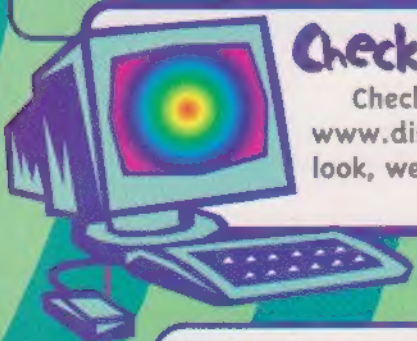

## THE ANIMATED WORD SEARCH

**In** this issue's word search you have to find the names from two great Disney animated movies: "Toy Story" & "Oliver & Company." The answers run down and across, plus there's one diabolical diagonal! (There are no spaces between names like Buzz Lightyear.) We give you the most obvious one gratis (that's free, dudes).
